Address: 307/B , Ethgala , Kochchikade , Negambo

PROFESSIONAL EXPERIENCE

Internship 2020 – 2021

- Assisted in web application development.
- Collaborated on debugging and feature implementation.
- Learned Git for version control.

Volunteer Work 2022 – 2023

- Provided computer skills training to students.
- Organized tech workshops.
- Supported simple database system development.

Projects

- Designed inventory management tool.
- Implemented data entry and retrieval features.
- Presented project to peers.
- Built personal portfolio website.
- Learned version control with Git.

EDUCATION

Higher National Diploma (HND) in Software Engineering

2024 – 2025

- Developing technical skills in programming, software development, and database management.

Planned Bachelor of Science in Software Engineering

2026 – 2027

- Aiming to advance expertise in software engineering principles and practices.

Ordinary Level (2019)

Holy Angels Girls' College, Dankotuwa, Sri Lanka

- C – Mathematics
- C – English,

KEY SKILLS

Programming Languages

(Java, Python, C++, SQL)

- Core competency for development roles.

Problem-Solving

- Demonstrated through freelance projects and coding competitions.

Software Development Lifecycle (SDLC)

- Understanding of planning, development, and testing phases.

Database Management

(SQL, Data Structures)

- Critical for backend and full-stack roles.
